

September 14th 2026:
Ready, set...go !

REGISTRATION /ENROLLMENT

Registration and enrollment for the first year must be made by **November 5, 2026**.

For information, contact the **Student Secretary's Office**

Student
Secretary's
Office

KNOWLEDGE VERIFICATION TEST

With prior reservation, it is possible to take the **online** knowledge test every month.

Students who do not pass the test can participate in the course with additional training obligations (OFA) to improve math skills.

Knowledge
Test

LECTURES

Classes are held **in-person**. Theoretical lessons will be available both **in person and remotely**. Remote access will be possible via live streaming or by uploading the recorded lesson to the platform **e-univpm**

E-univpm
platform

Classes for **elective courses** will be recorded and made available on the platform **e-univpm**, in addition to being delivered in person and via streaming.

PROFICIENCY EXAMS

Examinations take place **in person**.

Check the **exam schedule board** to verify the exam dates for courses in the 2026-2027 academic year.
